LOLA

straight-A student

Hey! Lindsey here. Lovely Lola graduated from her all-girl Catholic high school last June, but her uniform is so cute, we asked her to put it on one last time—and then take it off!

"I love it!" she says. "It's like I'm stripping away Catholic school forever!"

lindsey: So, Lola, what do you do for fun?

lola: Well, I mostly read in my spare time. I've read all the Harry Potter books, plus I love classics like *Forever* by Judy Blume.

lindsey: *Ooh*, I remember that one scene....

lola: Yeah, the one you don't want your mom to know is in the book. You're like, "Oh, hi, Mom. Just reading *children's* author Judy Blume. Yep, I love my *children's* books." Meanwhile....

lindsey: Meanwhile there's actual *sex* in *Forever*.

lola: *Mmm-hmm*. That's probably the first time I ever masturbated, was when I read that book. How geeky is *that*?

lindsey: Hey, anything that gets you going! Do you masturbate a lot?

lola: All the time. All I need is my fingers, so I can basically do it anywhere. Once I even did it at school, in the girls' room!

lindsey: That's pretty naughty. Is it true that all Catholic schoolgirls are bad? Like, you all smoke and drink and stuff?

lola: Well, *I've* never smoked or drunk, plus I got really good grades. Plus, I'm starting college next month. The only thing bad I do is have sex. Which I don't think is bad, anyway. I mean, I'm 18! I'm a young woman with needs!

lindsey: Do nuns punish you if they find out you're not a virgin?

lola: They never scared me. My mom is the one I have to pretend to be a virgin with. She's always like, "Why buy the cow when you can get the milk for free?" And I go, "You're so right, Mom." But in my head I'm like, Maybe I don't *want* to be bought.

lindsey: So, are you kind of slutty? Like, do you have one-night stands?

lola: No, I need to know someone before going all the way—like for a week or so.

lindsey: What's the best sex you ever had?

lola: Every time I have butt sex, it's the best.

lindsey: You already have butt sex?!

lola: Sure! I did it in the butt the second time I had *regular* sex.

lindsey: Do you ever think that anal is, like, a form of rebellion?

lola: *Mmm*—maybe. Maybe that's why I *tried* it. But I do it now because I *love* it. I could write a book about it! ★

PANTY CONTEST WINNER

Announcing the winner of BARELY LEGAL's May 2007 Panty Giveaway contest!

You guys, this was, like, the hardest decision ever. We received tons of awesome entries for Addison's panties, including letters from two girls (a first!) and a letter from a reader who said he would display the panties in his coffin someday (spooky!). But finally we just had to award the panties to Rusty Groskey of Florida, 'cause in addition to his letter, he did a painting of Addison! You can see how totally gorgeous it is in the photo on the right. Congratulations, Rusty!

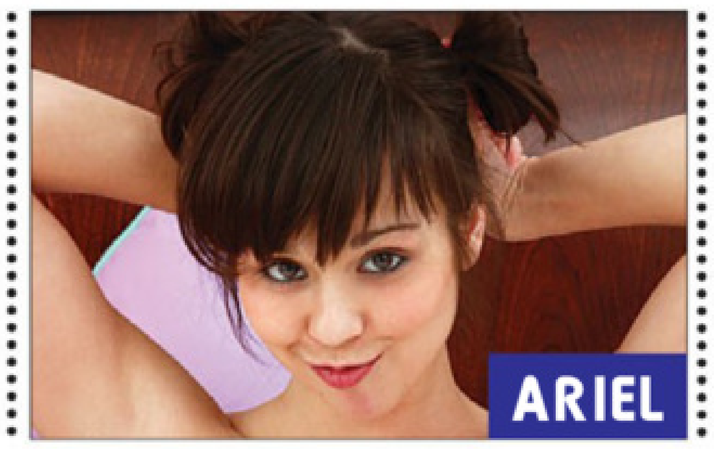
(Confidential to T. L. of Indiana: Sorry about your bet! You came super close!)

Hello, LEGAL Staff,
I got this month's issue, and I got to say—I like what you're doing. You've got the most beautiful young girls around. But to see your covergirl (Addison) layout.... She is just pure beauty at its finest. To see her in her denim shorts was too much, to a point where I have shot a few loads staring at that fine ass. I had to make her one of my fantasy girls (picture enclosed). To have her panties would complete the picture (so to speak). I'd frame them with her picture. Oh, yeah—I'd sniff them first. I hope you all haven't sniffed them

all up already. Yeah, I'm a man—we sniff. That pussy got to smell like roses. *Sweet.*

Pick me,
Rusty
Florida

SPECIAL NOTE TO READER T. B. OF ARKANSAS: *Hey, T. B.! In our May 2007 issue, you wrote to us about a model called Ariel Rebel who you saw on the Internet, and you asked if we could please feature her in her own pictorial. Well, guess what? We contacted Ariel, and she was totally psyched, and she's going to be in our September 2007 issue, on sale August 7! T. B., you found one of the cutest models ever. Thank you so much. (We bet the other readers will be thanking you, too!)*



Dear BARELY LEGAL,
Oh, boy, you sucker me in. That March [2007] cover picture of Susan in a beautiful blue bra.... Wow, is she cute, and what a photo. One of the greatest covers *ever.*

But what a disappointment her photos were inside—a real wash, as in washout. The pictures are so washed out, you can't even tell the bra is blue, and she's so white, she looks pale and sick! What a shame. Could have been one of the best layouts *ever.*

Whatever happened to HUSTLER's great picture printing? I recall them as being super sharp and "jump off the page" color. Too expensive to print? If so, raise the price to $15 or $16 or more. Whatever it would take. This 58-year-old horny old man would gladly pay it.

And thanks for the free DVD. But come on—*boring.* Why can't you put together a film of your beautiful young girls alone, without some ugly meathead putting his hand or nose in the way so I can't see her pussy? You know, alone, like in your mag's photo-layouts.

Thanks,
T. L.
Oklahoma

T. L., we totally agree! I mean, we do still think Susan looks super cute, but you're right—the colors are not, like, very colorful. We already talked to the printer about making improvements.

As for the DVD, well, it's so funny, 'cause we've gotten a bunch of comments that are the exact opposite of yours! Most readers want scenes with hard-core boy/girl boning. In this case, we have to go with the majority. I'm sorry, T. L.!

—Lindsey

Lindsey,
Howdy, girl! It's Red Dog. BARELY LEGAL is a hat-falling, eyes-crossing, lip-biting, Wrangler-rising, zipper-busting, boot-tripping hell of a mag. Lindsey, you are a darling with sugar all over! Thanks so much for y'all's pride and dedication to the BARELY LEGAL. I love y'all. And in March, Julia, she is as pretty as a speckled pup with a yellow bird in its mouth! Give her a hell,

yeah, turn her up. Tell her to come to Alabama in a hurry! And 100 points to the very lovely but dirty Susan. Y'all come see me!

Red Dog
Alabama

Thanks, Red Dog! Do you do it Red Doggy-style? :)
—Lindsey

BARELY LEGAL,
I've been a subscriber for several months now and have been pleased overall with your mag. I just wish you would use more models with bigger boobs. Bigger boobs are more sexy. Sometimes I get the feeling you're intentionally using flatter-chested models. Now, I'm not suggesting you use models with implants. But please at least try to balance things out a little. I would rather see an attractive, slender model with A cups than an ugly, fat one with D cups, but please try to use more models like Illona and Jana [April 2007].

Your mix of ethnic models is pretty good, too. I like diversity: Asian, Latina, African-American, European, mixed races.

Please try. I still have a few more months until my subscription is up for renewal; a little bigger boobs would make my decision easier. Thanks.

Sincerely,
A. M.
Georgia

A.M., we always try to give our readers what they ask for. I guess we do run a lot of flatsies, but that's 'cause skinny, pretty girls with naturally big boobs are, like, a rarity. We always run 'em when we find them, though. Did you see Katarina and her double-Ds in our August issue? And how about Natasha and her triple-Ds on page 64 of this issue?

But really the future is what counts, so we hope you like our September issue, out next month, which features Kimora (Asian), Promise (African-American) and Sandy (blonde with sweet D cups). Please don't give up on us yet! :) ***—Lindsey***

Dear Illona,
I just caught your encore appearance in the April 2007 issue, and I just had to write. I would worship your boobs if I were your man, but two things I noticed about you were that sweet shaved pussy and that you were in the kitchen. Now, if I were there with you, we'd be going through the fridge for about an hour of foreplay. After that, I'd slam you right there on the kitchen counter, the table, the floor, whatever *you* say. Then you order a pizza while I clean up. You can be my little kitchen princess anytime.

Shamelessly yours,
J. F.
Texas

That sounds yummy, J. F., as long as the food ends up on me instead of in me. I'm trying to keep off those five pounds I lost! ***—Illona***

Dear Lindsey,
Concerning the April 2007 edition of BARELY LEGAL, why didn't Kelleigh pop that big pimple on the left side of her nose?!!? It sure looks like it is ready to be popped! The pictures would have looked much better if she had popped it before she posed for them!

L. P.
California

Ew, gross! That's a piercing, not a pimple! I have nice skin. Check it out again on page 38.
—Kelleigh

My Whole Lot of Lovin' Lindsey,
Hey, it's Talbert here, a continued supporter, panty winner and huge fan of BARELY LEGAL Magazine. I

just had to write and tell you that the April 2007 introduction cracks me up! I haven't read all the articles yet, but I have scanned all the photos, and, with the exception of Molly, your introduction is quite a huge attention-getting attraction! You sure aroused me by the way you lead on. I know there are a lot of attractive young ladies and articles [in each issue], but I got to wondering exactly how many readers pay attention to the introduction page instead of passing over it and right to the young ladies.

Well, I don't know if you get much credit or the credit you much deserve. I wanted to let you know, I could never overlook your introduction, especially that one. It was really something else! I'd go back to losing the panties, though; there's nothing more hot and very sexy than a nude vagina (pussy).

Love ya, my Alyssa Milano look-alike!
Talbert
Illinois

OMG, you so made my day! Finding cute models and picking photos for the magazine are obviously the number-one most important jobs here, but I also take writing the introduction very seriously, so it's awesome that you noticed it. Thank you, Talbert!
—Love, Lindsey

KIRSTEN DUNST

Former child star Kirsten Dunst (*Jumanji*) is our number-one pick for Girl Most Likely to Slip a Nip. Seriously, she never, ever wears a bra. Look at her tan-lined titties roaming free at the first *Spider-Man* premiere (above)! With one tug of the tie on that hippie gown, we could *finally* see what color her nipples are. (I vote pink.)

We already know what *size* her nips are, since she also wins Best Unsupported Actress for every single movie she's in—well, except for *one*.

"I had to wear a padded bra [in *Spider-Man 3*], but I get it," she says. "It's okay. It's part of the thing. I didn't feel like it was sexist or anything. I embraced my Mary Jane boobs!"

Which is the main reason why *Spider-Man 3* SUCKS. We embrace her *Kirsten* boobs, in all their loose and luscious glory!

Evan Rachel Wood

Evan Rachel "nude"

EVAN RACHEL WOOD

YOUNG CELEB FANTASY

Evan Rachel Wood, another former kid star, has always been a good girl. Yes, she *played* a juvenile delinquent in that movie *Thirteen*, but she never, like, popped up in the tabloids every day like Lindsay and the Olsen twins. Until now!

Evan, 19, has allegedly totally *stolen* 38-year-old rocker Marilyn Manson from his burlesque-star wife, Dita Von Teese! Evan's now busy slinking around town with wavy pinup hair, red lips and liquid eye liner, looking just like—what'ya know—*Dita Von Teese*.

Evan, if you want to be a *complete* copycat, remember—Dita likes to pose nude. This sample photo will give you an idea of your future look. (We hope!)

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Evan Rachel Wood actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, it's our 14th anniversary! I KNOW! *Fourteen years*?! Do we *look* that old? :)

Anyways, a special occasion like this calls for very, *very* special girls. For instance, many readers have been asking for girls with big boobies—the bigger, the better. Just for you guys, we have Natasha Nice and her TRIPLE-D cups. Her titties make Karina's D cups look like mosquito bites. Just kidding! Karina's got the most *perfect* pom-poms I've ever seen. I almost wish she were giving away her bra instead of her panties!

Of course, some readers still crave tiny-top girls. For *you* guys, we have Nika and Aiysha and their sweet little A cups. And, in keeping with the terrific-titty theme, *BARELY LEGAL News Flashes* this month is basically a tribute to *Spider-Man 3*'s Kirsten Dunst and her untamable ta-ta's.

Oh, you say you're an ass man? You don't care about bosoms? Then may I direct your attention to naughty ex-schoolgirl Lola and her luscious behind, barely contained by her white panties. And SinDee's big, bouncy bubble butt. And the spreadable, edible asshole of anal-sex fiend Mia. Oh, my!

Well, see ya. Hope you like the...what? I forgot something? The sweetest, tightest, pinkest pussies around? Oh, no, I didn't! Just check out every single girl!

Love you guys!

KARINA

pervy on the outside

Hello! It's me, Megan the intern. Kinky Karina is into something that personally makes me very nervous. If you want to get with her, you better be brave—and a fast runner!

Did you like posing nude? Did it make you feel hot? I do, but it doesn't make me necessarily hot.

What part of your body do you consider your best? My breasts because they are natural but big and perky.

Do you enjoy exposing yourself in public? No, but I like having sex in public places.

Do you wear panties? Normally, no, I do not.

How often do you masturbate? Not much. I prefer sex.

"I hate/like/love giving head." Love. I like to satisfy my partner.

"When I give head, I'm a spitter/swallower." Depends on whether or not it's a person I've been dating for a while.

"I hate/like/love receiving cunnilingus." Like. It's hard for me to come when I receive.

What's your favorite sexual position? Missionary.

How do you like to be fucked? How can a guy best make you come? Slow and hard.

"I hate/like/love anal sex." I tried once, but I soon realized my butt is exit only.

Where do you like a guy to come? Either inside me or on my pussy.

Are you bisexual? Yes, I dated a woman for about a year, and sex with a woman is so much more personal and passionate.

Have you ever had sex in public? Yes, I've had sex in the movie theater, the bathroom of the movie theater, balcony, pool (public), car, full parking lots, restaurant bathrooms, wherever!

Ever had more than one lover at once? Yes, I have had about ten lovers in one big orgy.

Have you ever fucked a stranger? No.

What's the absolute best sex you've ever had? With a man I love.

What kind of men do you like? Confident, almost cocky, good dressers, intelligent, passionate and kinky.

What kind of women? I only like darker women with green eyes and dark hair. [*Ed. note: Dang!*]

What's the best way for a man to pick you up? I like to pick 'em up.

Describe your ultimate sexual fantasy: In bed with satin sheets and candles. ★

JENNI LEE

car-crazy cutie

What's up? Sophie the intern here with super cute Southern belle Jenni Lee and her not-so-cute furniture. Jenni Lee might keep her socks on, but she's ready to knock yours off!

sophie: Hi, Jenni Lee. Tell us a little about yourself.
jenni lee: Well, I was born in Nashville, but I grew up in Clarksville, Tennessee. I was kind of a dork growing up. I only recently got into modeling, and it's *so* much fun. I mostly do car shows and stuff. Posing nude is kind of new to me, but exciting.
sophie: Are you into cars?
jenni lee: Totally! I love drag-racing, dirt-biking, off-roading in my Jeep and just cruising around Clarksville looking for guys—and girls!
sophie: Whoa! So you swing both ways?
jenni lee: Yeah. I mostly date guys, but a hot chick just turns me on.
sophie: What else do you do for fun?
jenni lee: Art, karaoke, dancing, hanging with my friends and surfing the Web. I spend a lot of time online.
sophie: What do you look for in a guy?
jenni lee: I'd have to say looks, brains and laughs. If we can bullshit and laugh together, that's a great sign. I have a weakness for a great smile and a guy who takes charge.
sophie: What about turn-offs?
jenni lee: Bad breath! Bad attitude, negativity, conceitedness....
sophie: How would you describe yourself?
jenni lee: Passionate, outgoing, fun, sexy, flirty and down-to-earth.
sophie: What's the wildest thing you've ever done in bed?
jenni lee: You'll have to watch the movie!
sophie: Wait, what? Are you saying you've done porn?
jenni lee: Yeah, dude. I just shot a movie for you guys [*FYI: She's talking about BARELY LEGAL #71*].
sophie: Oh, sweet! I haven't seen that one yet. Can you give me a little sneak preview?
jenni lee: I could tell you, but then I'd have to kill you. Just kidding!
sophie: What's your favorite sexual activity?
jenni lee: Oral sex. I love giving and receiving. I can do it slow and deep, hard and fast—whatever the guy wants.
sophie: What's your biggest fantasy?
jenni lee: I'm living it! Modeling and sex and cars and having fun. I love what I do, and I do what I love. ★

BARELY LEGAL

SLUMBER PARTY

BARELY LEGAL'S AMATEUR PHOTO CONTEST

$5,000 GRAND PRIZE!

ATTENTION, ALL 18-AND-OVER CUTIE-PIES! Become an amateur model for BARELY LEGAL today. Snap a clear, color picture, and mail it to BARELY LEGAL Slumber Party, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. Every little hottie whose picture we print gets $250 and a chance at the ultimate Grand Prize—a photo-feature worth $5,000. Grand Prize finalists win $1,500 each. The award for the photographer of the Grand Prize winner is $500, and the finalists' photographers win $250. Fill out the model release on the last page of this section, and include a color copy of a valid ID. Join the *Slumber Party*!

"I'm young, sexy, outgoing and ambitious," announces newly legal **Nikki** from Decatur, Georgia. Her ambition? To be a nude model, of course! "I work as a waitress in a strip club with older women. Everybody tells me I have a good body—I think my [38C] boobs are my best feature—so I might as well do something with it. I won't be young forever," she reasons. "I'm very sexual. My hobbies are downloading porn, masturbating four times a day and promoting my boyfriend's band. But I was the only virgin in my school. That's because boys are too immature. I like older guys. I've never been with another woman, but I've thought about it. I fantasize about another girl licking me and using a vibrator while I give my boyfriend head. Blowjobs are my favorite. I like to make other people feel good. I'm a very giving person. When it comes to sex, doggy-style works best for me because I'm real tight. I've tried doing anal, and I want to do it again. I have a hard time because I'm so small, and my boyfriend's too big. When I'm *not* having sex or hanging out with strippers, I like to read, and I'm a big horror-movie fan. Vampires, the supernatural—I love anything freaky, weird and unusual."

KELLEIGH & KIRSTY

BONUS!

Hi, I'm Beatrix. You might remember me from such layouts as *Beatrix: Jeepers, Peepers!* (September 2005) and *Lara Lee & Beatrix: Almost Girlfriends* (May 2006). Well, since I'm not *technically* barely legal anymore, I decided the best way to stay in my favorite mag was to become a photographer for them—and it worked! Lindsey liked my sexy photos of Lara Lee from the last issue (August 2007) *soo* much that she asked me to shoot two girls having sex! I wasn't sure I was ready, but then I met two of the cutest girls *ever*—Kelleigh (*Kelleigh: Teen Queen of the Month*, July 2006) and Kirsty (*Kirsty: Funny Girl*, November 2006). If I weren't, like, a total professional, I would have made it a threesome! BTW, Kelleigh's the one with barrettes in her hair, and Kirsty's the one with braces.

beatrix: Thanks, you guys. That was hot! Have either of you been with a girl before?
kelleigh: Sort of. I mean, I like guys. But girls are so much softer and sweeter. When I want someone to go down on me nice and slow for hours, I call one of my girlfriends.
kirsty: Really? That's funny, because you practically *attacked* my pussy. It was like a cheetah taking down a gazelle! You were all, "*Rawr*!"
kelleigh: Well, at least I didn't just lay there and let the other person do all the work—unlike some people!

beatrix: *Whoa*, ladies! Kirsty, how about you? Any experience with girls?
kirsty: Not really, but just before the shoot, I was flipping through back issues of BARELY LEGAL for "inspiration," and I came across Kelleigh's centerfold. There was a nice big shot of her pussy, so I started, like, licking the pages—just for practice.
kelleigh: Omigosh, you are *such* a freak! I can't believe I let you lick my butthole.
kirsty: Excuse me? You were the one shoving her butt in my face!
kelleigh: I'm sorry, Kirsty! You know I like to talk out of my ass. Let's kiss and make up!
kirsty: Well, okay. But only if it's an Australian kiss.
kelleigh: What's an Australian kiss?
kirsty: The same as a French kiss—only "down under." LOL!
kelleigh: *Ooh*, you're so bad!

NIKA

almost ready for anal

Hi! Do you think I'm sexy? I *feel* sexy, thanks to my new makeover. I told the photographer, like, "Omigosh, I will totally pose nude if you can make me look like a young Drew Barrymore because she's my idol."

The other cool thing is, now I don't have to worry about my parents finding out that I'm modeling "in the buff." I bet you a million dollars no one I know would even recognize me! I almost never get this dressed up. Well, okay, I'm getting naked, but you know what I mean! I'm pretty down-to-earth. Where I grew up in Wyoming, people are into all this outdoorsy stuff like hiking, snowboarding and river rafting. It's hard to look glamorous when you totally eat it on your board or you get drenched by a big rapid.

But I can be pretty girly, too. I'm outgoing, I love to cook, and I love spending a quiet evening at home with my man. Well, we're not *that* quiet! I can get pretty loud during sex when he hits just the right spot.

I'm a pretty sexual person. I get turned on easily. I know they're not much to look at, but I like having my boobs played with. My nipples are *super* sensitive. I also love it when a guy grabs my butt. It totally gives me goose bumps. It makes me wonder what it would be like to actually do it in the butt. I'm not that brave—yet!—but I want to try it.

My butthole puckers up whenever I even *think* about it. But I've let my boyfriend stick his finger in there a few times. He even licked it once! I was like, "Omigod, omigod, omigod!" I know it sounds bad, but once I relaxed and gave in to it, it felt really good. Well, not as good as when he licks my pussy, of course!

I think I'm gonna wait and save my butt cherry for his birthday present or something. But only if he earns it by making me come every single night until then! ★

AIYSHA
legally boned

Hey! It's your friendly neighborhood intern Sophie. Do you guys remember the awesome heinie of Aiysha, which we last saw busting through her panties in our April 2007 issue (*Aiysha: I Know What I Want*)? Well, it and she are back!

sophie: Hey, Aiysha! What did you do over the summer?

aiysha: Mostly had as much fun as I could before I start college next month.

sophie: Don't you plan to have any fun in college?

aiysha: I doubt I'm going to have time. I'm pre-law.

sophie: That makes sense. If I recall from your last interview, you, like, really speak your mind.

aiysha: I know what I want!

sophie: The main thing I remember is that you're turned off by "overly sensitive guys."

aiysha: That's still true. I don't want a guy who's all sensitive and emo, like Zach Braff in *Garden State* or whatever. I want a guy who will, like, tell me I have a hot bod.

sophie: You must get a *lot* of that.

aiysha: Not really. I think guys maybe think they aren't supposed to talk that way to a girl. So then they get too polite and gentlemanly, and we girls have to do all the work. I mean, give me a caveman!

sophie: You mean, like, *hairy*?

aiysha: Yeah! Big and hairy, with muscle-y arms and legs and a deep voice. A guy who demands attention. And demands *me*.

sophie: What if this dream guy demands you do something you don't want to do? Like, I *know* you don't like anal sex.

aiysha: Well, my "dream guy" [*rolls eyes*] is someone who really, really wants me, but would never force me to do anything. Yes, I don't like anal, but if the guy I'm into is, like, tearing my clothes off as soon as we walk through the door, and we don't even make it to the bedroom, and we're on the floor, and he's pounding me from behind and slapping my booty and pulling my hair—that's *awesome*. Who even *needs* anal at that point?

sophie: Well, some guys really, really want anal.

aiysha: Okay, I'll tell you a little secret. I was *way* into this one guy over the summer, and he seriously wanted to do me in the ass, so....

sophie: So you let him?!

aiysha: No, but I let him lick it. My butthole.

sophie: Did you like it?

aiysha: [*Blushes.*] It felt pretty good.

sophie: So, you're not a total lawyer *yet*. You *can* be convinced.

aiysha: Well, if there's *reasonable* doubt. ★

the diary of a BARELY LEGAL girl

by trista wales photography by richard kern

When BARELY LEGAL asked me to keep a diary for the magazine, at first I was like, no way. Diaries are totally top-secret things! But then I started thinking, Maybe I should share my heart and feelings. Life is complicated when you're a teen. My diary could maybe help other girls relate, and realize they're not the only ones feeling crazy. Guys, too. Guys could catch a glimpse of how it truly feels to be a girl at age 18.

So here you have it, a month in the very confusing life of me!

March 31

This must be love. All I can think about is Gabe. I'm so happy. I LOVE YOU, GABE!

I'm lovesick, too, though. I'm afraid he doesn't love me. Or, that he only loves me for my coochie. But maybe I'm a hypocrite, because every time I see him, I'm horny. Maybe I love him for his penis and I'm only using him for his body. Kidding! I love him in lots of meaningful ways. I love his scruffy chin and his long arms, and I love that he's older and wiser—yes, he's 34, can you believe it?! Anyway I love him, and he's the hottest guy in all of Washington State.

He still hasn't said "I love you" to me, though. Two weeks seems like plenty of time, don't you think? What if he doesn't really care, and all he wants to do is wet his willie?

I guess I can't talk, because I could ride his dong and suck it all day. But sometimes a girl wants to hold hands and hear sweet nothings before she gets dirty.

Like last night, I had this fantasy that Gabe would take me out and really romance me, like with candles and champagne. When I showed up at his apartment, I had hardly stepped inside before he pushed me against the wall and rubbed his dong on me. What a total pervert! No soft music, no rose bouquet, just hot and horny all the way.

Yes, okay, having sex was great. We did it on the living-room rug, doggy-style, so hard that I totally skinned my knees. He slid in and out and pulled on my clit until I came. I came hard, too—like, my legs actually gave way and I went *plop* on my belly. Gabe splooged all over my butt cheeks.

I jacked Gabe off in the shower because even after sex, he's horny. We put on robes and ordered Domino's. Gabe fell asleep on the couch watching a science show about Himalayan monkeys. He snored a lot. It wasn't very romantic. I didn't even want to cuddle with him because he kept farting! I gave up and left at 10:30. I had to make curfew anyway. I'm so too old for curfew, but whatever.

April 3

Janie and I went to Speedy's after school today and drank strawberry shakes, just like the old days. I told her about my wild night at Gabe's, and she said I should be glad he's so relaxed that he snores and farts in front of me. She was like, "That just means you're the kind of girl he'd marry. He can be himself. It's like with Murphy and me. Murphy can totally be who he wants to be."

I did not ask her about Murphy. She brings him into every conversation *ever*. And she acts like she's the all-wise guru about relationships just because she's been dating Murphy since, like, the second grade, practically. Not really, but they've known each other forever, and now that they're 18, they just have sex all the time.

"Maybe I'm a nympho."

Murphy isn't even interesting. Not like Gabe. Gabe's a carpenter, and he has long hair and goes caving. Murphy is just, like, a high school jock with huge teeth and practically no brain.

I shouldn't be mean. It's just that, when Murphy turned into Janie's full-time boyfriend, I felt like she lost interest in being best friends with me. I mean, this afternoon was the first we'd spent together in three weeks! Janie's like, "But we see each other at school every day." And I'm like, "We can't share our secrets and dreams between classes in the hallway!"

The thing is, Janie and I made an honest pledge that we would be best friends forever, and lately she's just drifting away. We used to stay up all night laughing and braiding each other's hair and chewing Blow Pops. Now she's always with him, going out for chili dogs or making out, or just watching him play field hockey. Boring!

I guess the truth is—I told myself I would never write it down, but okay. The truth is, I tried to act like it was no big thing, but there was a night two months ago, February 18, to be exact, when I licked Janie's pussy.

I know, I know—it's crazy! But I don't know. Like, when it happened, we were just fooling around. But it's like, now, looking back, that night really meant something to me. So this afternoon, when Janie kept going on about Murphy, I felt pissed. But also, I felt like I wanted to crawl under the table and shove my head between her legs and stick my tongue inside her pussy.

I'm so confused. Am I gay?

April 8

Okay, I'm totally a lesbian.

This is what happened: I told Janie we should have an old-time sleepover because our friendship was drifting, and she said okay. I did not tell her that I was having fantasies about her pussy, but anyway. We rented a French art movie that looked like it had a lot of sex in it and spread sleeping bags on my bedroom floor and stretched out on our stomachs with a giant bag of Sour Patch candies.

The movie didn't have much sex, it was mostly just a man and lady arguing in a bar, but then one time the guy humped the woman up against a Dumpster in the rain, and that was the only sex scene.

Storemags

“We did it so hard that I totally skinned my knees.”

The lady had a hairy bush and Janie was like, "That's disgusting." I told Janie she was totally unliberated because a woman shouldn't have to shave her pussy to be hot. A woman can rock her beav however she wants!

Janie rolled her eyes at me. "Whatever. You *totally* shave your pussy." So I was like, "How do *you* know?" So she pulled down my pants and pointed at my baldie and said, "See?"

Maybe Janie was just trying to be funny and didn't mean to make me horny, but I was getting totally turned on because she was, like, wrestling me and pinching my pussy lips. Seriously! I could not resist the urge to sit on her face.

Was that horrible of me? It didn't bother Janie. She totally ate my pussy. And I was so into it. I wasn't even shy about being a sudden lesbo. I squeezed my boobs and rocked my hips and rode her face. She was making me come like crazy. I wanted to be really loud and moan and scream, because I *kept coming*, three times, seriously! But I couldn't make a lot of noise because my parents would *freak*. They're completely against gays.

I can't stop thinking about Janie's mouth. I need to masturbate. Of course Janie's probably over it already and sucking Murphy's boner as we speak.

What am I going to do? I don't think I want to be a dyke, because I still have lots of feelings for Gabe. This is way too confusing.

April 12

So tonight Gabe and I met at Paree Coffee. I told him I couldn't stay long because it's a school night. Then I felt like a dork because Gabe can do whatever he wants, and there I was worrying about my stupid curfew and my stupid school. Then I wondered, if I really was gay and in love with Janie, why did I care what Gabe was thinking? But I *did* care, sitting there with Gabe. He's so cute and hot and scruffy, and I wanted to touch him in a serious way.

I kicked off my sandal and stuck my bare foot in his crotch and wiggled my toes. He got hard, and my heart pounded so fiercely that I thought I might faint. I was just like, I am so excited right now, there's no way I'm gay! We stumbled to Gabe's car and I rode him really hard in the backseat. I bounced and bounced, and the car was all steamy, and when I came, I wailed so loud it was like, Somebody call the police!

Maybe I'm a nympho, and that's what's wrong with me. I wonder if I should see a shrink.

April 13

Today is totally Friday the 13th. I'm all by myself and thinking way too much about things. Like, am I a cheater for messing around with Janie? And if I *am* cheating, how awful, because cheating is wrong, and I always thought I was a morally upstanding person who did the right thing.

Maybe I should just tell Gabe everything.

April 15

Okay. Last night, I told Gabe. I was like, "Hi, I ate my best friend's pussy but that was before I was with you so that's okay, but then just last week, she licked me. Is that cheating?" I didn't say it exactly like that, but you know what I mean. I was nervous and scared that Gabe would be pissed, but he was super cool and understanding. He was all philosophical about it, talking about how I was exploring my sexuality and how it was a healthy thing to do and a way for me to better understand myself. And then he said, "The thought of Janie licking your puss is making me rock hard. Would you suck it for me, baby?"

I was psyched to give him a BJ. I'd been so worried that he would be hurt and angry and we'd have a giant drama because I lezzed, but all it did was make him horny!

I sucked his dick *seriously*. I slathered my tongue up and down the shaft and slurped the whole thing like it was a giant stick of meaty candy. I sucked his balls and wiggled my tongue on his taint. He splattered hot gunk in my mouth and all over my face.

Now Gabe's big idea is that he wants to watch me with Janie. I don't know if she'll go for it, but I guess it can't hurt asking.

“I can´t stop thinking about Janie´s mouth.”

April 19

Life keeps getting more and more nutty.

I invited Janie shopping. I don't care much about clothes and makeup, but Janie's a girlie-girl and she can't turn down a trip to the mall. Anyway, it was all just my evil scheme to put her in a good mood so that I could convince her to 69 in front of Gabe.

We were in the changing room at Wet Seal. I was watching her try on all different colors and prints of these short little trouser shorts, and also, I was admiring her bubble butt. She had on this plaid pair that was extra snug and short, and I was like, "Your ass looks hot in those." I didn't mean to perv out so hard, but Janie really is a babe! Janie just kind of laughed, but I was feeling serious all of a sudden, and when she went to unzip her shorts I pulled them off along with her panties and stuck my tongue in her cooch.

Janie gasped but she didn't resist. She had her butt in my face and my nose was almost buried in her crack. That sounds totally gross, but it was hot. I slapped my tongue against her pussy lips, then dragged it between and licked her clit. She pressed her hands into the wall and moaned quietly. We couldn't be too loud or the dressing-room-attendant girl would be like, WTF?

It was sexy because I could watch in the mirror if I tilted my head just right. Janie was totally watching.

"I wanted to crawl under the table and stick my tongue inside her pussy."

She was almost kind of acting like she was in a porno, squeezing her big boobies and licking her nipples, pushing her butt further into my face. All that porno style must have turned her on in a major way, because it hadn't even been five minutes before she came.

Janie was still panting and weak from her orgasm. I got totally bold and went for it before I could chicken out. I pressed my lips to her ear and whispered. Now *I* was acting like the porno movie.

"You like to watch. Will you let somebody else watch while I eat your pussy? Somebody like Gabe?"

That didn't go over so well. Janie went from being a sweaty lesbian in the Wet Seal dressing room to, like, super-chastity married lady.

"How could you think I would do something like that to Murphy? Allow another guy to see me?"

I was just like, "How is that so much worse than dyking out with me?" But apparently it is. Now Janie won't talk to me.

I feel like a real creep. Was asking Janie what I asked really so wrong of me?

April 25

A whole week now, and Janie's still giving me the cold shoulder. I don't know who she thinks she is anyway, acting all high and mighty. Gabe called Janie a square. He was like, "She's so middle America. Totally Hilary Duff." I don't know, though. Hilary Duff doesn't seem like she'd ever let another girl lick her coochie.

Anyway, I'm trying not to sink into a deep dark depression just because I've literally lost my best friend. Gabe says this wouldn't be happening if she'd been my true best friend in the first place. He says she would have made an effort to understand me.

Whatever. Maybe this weekend will be fun. Gabe says he has a fun night planned for us Saturday. Maybe he'll bust out with a real live romantic evening.

April 29

Gabe had a night planned, that's for sure.

First, I almost keeled over and died because he actually busted out with the flowers and candles and champagne. He'd cleaned his apartment and set the breakfast nook so it looked like a restaurant, red tablecloth and everything. He can't cook but he ordered my fave, Chinese sweet-and-sour chicken and egg-drop soup. We ate and drank and I forgot all about my drama with Janie. I was like, Now I know in my heart that Gabe is my one true love and I was never a lesbian and never in love with Janie. Then the doorbell rang.

"Trista, this is Kacy." Gabe introduced me to his big-boobed, redheaded friend like it was no big thing, like I was supposed to be expecting company. "She's the receptionist at the shop, just moved here from Missouri. She doesn't know many people, so I invited her over to hang."

My mind was racing. One half was jealous and angry, but the other half, the horny half, was like, This Kacy girl is super hot, and I want to lick her pussy.

Well, guess which side of me won? By the end of the night, I was locked in a sweaty 69 with Kacy. Gabe splooged all over our bare boobies. It was sexy for sure, and also pretty nasty.

Who knows. Maybe I'm coming to terms with my true bisexuality. I don't know anything anymore. All I do know is, being 18 means being way too horny. ★

MIA
butte sex

Hi, boys! I just broke up with my sweetheart (actually, *he* broke up with *me*), so I'm trying to move on and keep going with my social life. But it sucks because my hometown is *soo* boring! There's actually a lot to do by North Dakota standards. I mean, thank God there's a mall. But all my friends—and all the cute boys!—left town as soon as they turned 18, and now I'm stuck here all by myself.

I'm not looking for the love of my life—just some fun dates or maybe some home visits. But I don't mind if things get closer. I am a very passionate person, and I love having fun with people. I never wear a bra, and I love to flirt. I give great blowjobs, and I think my sex drive is higher than average.

But I'm also pretty nerdy. I'm not an extreme nerd, but I can name at least 12 characters from *The Lord of the Rings*. I want someone who can be a dork with me and goof around, but I want to be able to talk about intelligent stuff as well.

My last boyfriend was sweet, but honestly? I don't really go for all that mushy romantic stuff—candles and corny music and blah blah blah. Sex should be fun. I don't want to just lay there. I like sitting on top of a guy and riding him hard. Doggy-style is awesome, too, when the guy, like, grabs my hips and goes to town.

But the best thing ever was when I let my ex-boyfriend stick it in my butt. *That* was nasty! It was totally different from regular sex. It was, like, so wrong, it's right. I felt all sexy and confident and so not dorky afterward, like, Oh, yeah, I'm bad!

I'm dying to do it again, but I don't want it to be with just anyone. It has to be with an older guy who knows what he's doing back there. That's why I've developed a simple test. First of all? I wear skin-tight jeans or a super short skirt and see if a guy will compliment me on my butt. If he seems interested, I'll tease him a little bit by "accidentally" dropping something and bending down slowly to pick it up. That's *really* fun to do when I'm wearing a skirt and no panties, by the way. If I can give a guy a boner that way, then I know I've found my man.

The only thing is, a lot of the boys I like are too shy to be all like, "Yo, baby, you got a phat ass!" But, I mean, I'm not a mind reader! If you like me, you gotta let me know. Simple as that. ★

SINDEE JENNINGS

catholic-school dropout

Hey, guys! Megan the intern here with SinDee Jennings. The last time we saw her (*SinDee: Sinfully Delicious*, October 2006), SinDee had been kicked out of her Catholic high school for fooling around in a confession booth. Now she's a famous porn star! But she's not all bad. In real life, SinDee is sweet, soft-spoken, sexy and super fun.

megan: Hey, SinDee. What's new?
sindee: Well, let's see, I'm a blonde now, and I've learned how to squirt!
megan: Seriously? Can you show me?
sindee: Well, not right now, silly! I can only do it when I'm getting fucked really hard.
megan: I hear you're a porn star now. Is that true?
sindee: Well, I don't know if I'm a "star," but yeah.
megan: How do you like it?
sindee: I love it! I love waking up in the morning and knowing that I'm going to have sex no matter what. It's, like, on my to-do list—feed the cat, pay the bills, get fucked, go to school. It's awesome. Well, not the school part!
megan: What's your favorite sexual activity?
sindee: I like it in the butt, of course! But that's only on special occasions. My favorite thing to do every day is to give a guy a blowjob. I give the best head in the entire world.
megan: Do you have a boyfriend?
sindee: I have *boyfriends*, plural. I give BJs to who I want, when I want.
megan: So, with all this sex you're having, is there anything you fantasize about?
sindee: Well, having a threesome has always been my biggest fantasy. I actually haven't done that yet the way I always pictured it—with a hot guy and a super cute blonde. But I've been with a super cute blonde while a guy watched. Plus, I've done, like, four and five guys at a time.
megan: You're so bad! Tell me about your BARELY LEGAL movie. Was the guy hot?
sindee: Oh, yeah. He had the sexiest French accent. We both like really rough, nasty, dirty sex, so I had a great time.
megan: Did you squirt?
sindee: No-o-o-o! That was before I knew how. I've only done it once so far. But I'm really proud of the blowjob part especially. I love BARELY LEGAL, so I knew I had to bring it.
megan: Is there anyone else in porn you'd like to work with?
sindee: I don't know a lot of the guys' names, but if he's got a big boner and a sexy accent, I'm good to go.
megan: So, what are your plans for the future?
sindee: To keep having fun! ★

SOPHIE

hard-bodied hottie

Hi, guys! Megan the intern here with Sophie. No, not Sophie the *other* intern—Sophie the girl soccer star who's going to college this fall on a sports scholarship. Anyway, *this* Sophie has an important announcement to make!

megan: Hi, Sophie! You're, like, a serious athlete with tons of medals and stuff. Why are you posing nude?

sophie: I just wanted to show that an athletic girl's body is just as hot as a big-boobed kind of softer girl's body.

megan: So, you think girls are hot?

sophie: I'm not saying anything! Guys already think I'm a lez 'cause I'd rather kick a ball than go shopping.

megan: Okay, let's talk sports. Have you ever done what that one famous soccer lady did? You know, when she scored the winning goal or whatever, and she tore off her shirt, and everybody saw her bra?

sophie: No, never!

megan: Why, 'cause you want to be taken seriously, like guy athletes?

sophie: What? No, because I never wear a bra. Could you imagine me running around a soccer field with my titties flapping in the breeze?

megan: I'm imagining it right now!

sophie: Megan! Seriously, I like guys. That's the *other* reason I wanted to pose for BL. I want guys to know that, even though I might be better than them at soccer, I still have girly needs and desires.

megan: What do you desire?

sophie: Well, more sex, for one thing! I've only done it a few times, and that was over the summer when I went out of town with my family. The guys there thought I was just a cute girl in a bikini. I'd like to meet a guy who *knows* me and still thinks I'm hot.

megan: Maybe you need to meet guy athletes?

sophie: No, they only like cheerleaders. I think I need to meet, like, a dorky guy with thick glasses. And *soon*. I'm going *crazy* without sex.

megan: Don't worry! You're going to meet *tons* of nerdy guys in college.

sophie: Well, if any of them are reading this: You guys, I'm up for *anything*. I'll suck your cock every day. I'll swallow all your jizz. I'll even have a threesome with another girl!

megan: Would you even have butt sex?

sophie: Yes, I'll even do that. My attitude is, Why not? As long as they accept me for who I am.

megan: You heard her, guys. That's a pretty sweet deal! ★

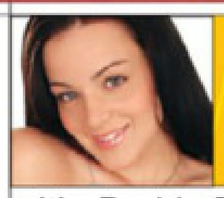
BARELY LEGAL BOX OFFICE



WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, NATASHA NICE.

It's Daddy-Daughter Day here at the BARELY LEGAL Box Office. But it's just for fun. No actual daddies were harmed, er, used in the making of these movies.

LAME, BUT BETTER THAN DOING HOMEWORK. ★

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

THE BARELY LEGAL BOMB! ★★★★

Dirty Harry makes Alexia's day.

DADDY & ME

★★★½

Vertigo Video. Directed by Danny Cam; starring Sasha Knox, Kitty, Alexia, Veronique Vega, Isabella Dior, Dick Nasty, Chris Charming, Dirty Harry, Don Hollywood and Rod Fontana.

You know how I know the guys in *Daddy & Me* aren't the girls' real daddies? Because they're old enough to be their grandpas! Kitty even says so to her scene partner, Chris Charming, who's, like, one of the youngest—and most hung—guys in the whole movie. But the older the better, as far as Sasha Knox is concerned. Where has this girl been all my life? The sweet, all-American blonde is super cute and fun and nasty. Her philosophy? "It's, like, why *not* put it in your butt?" In the behind-the-scenes interview, she reveals that she tries not to even hang out with girls who won't do anal. How awesome is that? Well, not as awesome as the deep anal dicking she gets from Dick Nasty, but still! Kitty is amazing because she's, like, the world's tiniest girl taking on the world's biggest cock—and that's the way she likes it. And, of course, you *know* I have to see everything that my crush Veronique Vega is in. She's so adorable! But there are some technical problems with, like, lighting and camera stuff that are kind of annoying. So *Daddy & Me* maybe isn't the best-*looking* porno ever, but it has some of the best stars.

Veronique's all, "Eat your heart out, Jared from Subway!"

Veronique is a virgin in her butt—and nowhere else.

EIGHT SIMPLE RULES FOR BANGING MY TEENAGE DAUGHTER #2

★★★★

Lethal Hardcore. Directed by Stoney Curtis; starring Candi Raynes, Samantha Sin, Vanessa Lynn, Alexis Love, Jocelyn Jayden, Scott Lyons, Talon, Steve Taylor, T. J. Cummings and Reno.

Eight Simple Rules for Banging My Teenage Daughter #2 is a fun movie. The sex is really dirty, and the girls are all pretty new. Apparently, this is Jocelyn Jayden's first anal scene and Candi Raynes's first scene ever! There's (pretend) moms in this one, too. Sexy MILF Kayla Quinn totally embarrasses her busty "daughter" Vanessa Lynn when she catches her about to have sex. It's hilarious. The "parents" have rules they want the guys to follow, like no cum swallowing, no ass licking and no big dicks—but rules were made to be broken! These girls are here to have fun, and they go all out. I cannot believe this is Candi's first time. It's so hot the way she's all, "Omigod! Fuck! Bang it! Yeah!" We're talking nasty, totally real sex. Gold stars go to the absolutely gorgeous Samantha Sin, who's an anal-sex *fiend*, and super cute covergirl Alexis Love, whose butt is to die for. Including the (lame) bonus scene, the movie's almost three hours long. So you could skip the funny parts and the wet-T-shirt stuff and still have plenty of hot sex to ogle, thanks to these sassy rule-breakers.

Vanessa's got him by the balls—in a good way.

Be gentle, it's Jocelyn's first anal.

Alexis takes her eyes off the prize.

Yep, Samantha's boobs are real all right.

LEXI BELLE

third time's a charm

Hey, it's Megan the intern back by popular demand with the adorable Lexi Belle. Can you believe this is Lexi's *third* time in BARELY LEGAL? Last time, she hooked up with her BFF Krista (*Krista & Lexi Belle: Best Fuck Buddies 4-Ever*, March 2007). But her very first appearance (*Lexi Belle: I Heart U Scarlett J.*, Anniversary 2006) was one year ago today—which means it's Lexi's anniversary too!

megan: Hey, Lexi Belle, how's it going?
lexi belle: Awesome. I'm learning how to play the guitar, as you can see.
megan: So, tell me all about your crazy experiences as a porn star.
lexi belle: It's been a lot of fun. *Crazy* is definitely the right word, but I've met a lot of really cool people. Porn is the exact opposite of what my family and friends thought I would be doing.
megan: Why? What were you like growing up?
lexi belle: I was a total band geek all through high school. I was basically a virgin when I started doing porn.
megan: Are you seriously serious?
lexi belle: Well, I wasn't a *total* virgin.
megan: So, how did you start doing porn?
lexi belle: Basically, someone just came up to me and said, "Hey, do you wanna do porn?" And I was like, "Okay."
megan: How's Krista doing?
lexi belle: She's good. We still hang out and mess around sometimes, but not as much lately. My new roommate does porn, too, and Krista's kind of jealous. She thinks we fuck each other every night! But that's *soo* not true. Maybe every other night.
megan: I have the perfect solution for that: sleepover threeway!
lexi belle: That could be fun. But I dunno, I like my threeways to have at least *one* guy in the mix.
megan: What kind of guys do you like?
lexi belle: I like most guys, but I really like the surfer look.
megan: What's your relationship status?
lexi belle: I'm single, I guess. I'm not really seeing anyone. I just hang out with friends and mess around. But I suck dick every day.
megan: You must be really good at blowjobs, then?
lexi belle: Dude! Not really. I never gave head before I got into porn. I can't deep-throat or anything. All the guys in porn have, like, these monster cocks, and my mouth is so tiny. But I'm not going to give up. I'm getting better at it.
megan: Do you like anal?
lexi belle: I haven't tried it yet, but you can't say no until you try.
megan: So, it seems like the whole porn thing is working out for you. What are your plans for the future?
lexi belle: I'd love to do features. You know, where you get to act and stuff instead of just fucking. I want to get big and famous eventually. But it's cool for now because I'm still learning my way around. ★
